Policy on the return of IT equipment when employment at SIPRI is terminated

1# All IT equipment must be handed in to SIPRI IT in due time before end of employment.

2# SIPRI does not sell IT equipment to departing SIPRI staff.

3# If equipment is kept after the end of the contract, the market value on the day of departure will be deducted from the final salary, and returned only if and when the equipment is returned.

(Updated February 2015)
